Re: Propane Equipment Loan Agreement
Propane Installation Agreement

Dear David,

Enclosed please find two copies of the above referenced Agreements which I have executed. Please sign and return one copy to me for our files.

St. Andrew's extends a great big THANK YOU for all of your hard work, cooperation and patience. We pray this is the beginning of a long and mutually rewarding relationship with AC&T. It has been a delight working with you David and I hope that AC&T knows what a great asset you are to their company.

Sincerely,

Melinda L. Keuroglian
